

## 6<sup>th</sup> FORM ENRICHMENT – SPORT AND PE AT ST. MARY’S.

This year the PE department wish to give students the opportunity to pursue a number of sporting qualifications during their enrichment time each Wednesday afternoon as well delivering traditional sporting fixtures against other 6<sup>th</sup> form colleges and institutions. Alongside these opportunities we would also like to offer more inter-form sporting competitions which have a focus more on recreation and enjoyment rather than competition.

Please read the following information carefully. If there are any sporting qualifications that you are potentially interested in please indicate this on the reply slip and hand into your form tutor when you arrive on the 3<sup>rd</sup> September. Please note that some courses require a deposit to secure a place.

## COMPETITIVE SPORT

Boys - It is hoped that St. Mary's boys 6<sup>th</sup> form will play a number of competitive football games against other colleges. Games will be played every other week. If you wish to be considered for the team please ensure you attend the trials at the beginning of the year.

Girls – It is hoped that St. Mary's girls 6<sup>th</sup> form will play a combination of competitive fixtures for both basketball and netball against other colleges. Again it is imperative that if you wish to represent the school at these sports that you attend trials at the start of the year.

## RECREATIONAL SPORTS AND INTER-FORM TOURNAMENTS

Once a half term there will be an inter-form sporting tournament. We would like as many 6<sup>th</sup> form students to take part in this and represent your form. Sports included in these tournaments: Rounders, dodgeball, basketball, Quick cricket, hockey... Plus many more. More information will be emailed to tutors closer to the time of the tournament.
