Head Teacher: Mr. S. Eccles B.Sc. (Hons) MEd

Dear Parent / Guardian,

Re: GCSE Revision

Firstly, I would like to thank you for your support in ensuring your son/daughter was revising at home for the recent set of mock examinations. Teachers are busy marking the papers and in the coming weeks we will provide you with a breakdown of your child's results.

We are now only eight school weeks away from the first GCSE exam on the 14th May. In order to prepare for the exam season we are running a number of after school revision sessions. This will start from Monday the 9th March.

It is vital that your child makes use of this provision and we would again welcome your support in ensuring that they attend. A structured and targeted program of revision really does make a big difference.

Each subject has a dedicated night for revision as set out below:

Week A	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
	Maths	English Lang	Science		Option B
Week B	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
	RS	English Lit	Option A		Option C

In addition to the school revision sessions we will also be providing your child with personalised online revision plan. This sets out the subjects and tasks pupils should be revising each day. An electronic copy will be sent to your child's school email address and they will also be given a login to access the online app via their mobile device. This revision plan will begin on the 19th March.

An example can be seen via: <https://www.revisionplan.com>

This is a really useful tool that will help pupils manage their revision time effectively and ensure that they are revising the correct tasks. As parents you can make a big difference by supporting your child's revision.

Regards

Mr Riley
Assistant Headteacher
